Discussion on sharing activity bus so what costs do we share and what costs are not shared. What are fair costs that are feasible for both schools. A possible \$4,000 plus dividing driver and fuel between the schools. Administration agreement is all that will be needed on the written contract and Admins will continue this discussion and find agreeable terms.

Arcadia asked about joining our coop. Discussion on keeping doors open for fairness but at this time it wouldn't be feasible. They also signed to continue their agreement with Loup City so they are locked in for another two years. Nothing has been brought to us on proposals.

Meeting was adjourned at 7:18 p.m.
